PRECIS

Tab A summarizes the four problems presented by S. 2819. It was compiled before S. 2819 was reported out. In S. 2819 the carry-over problems are contained in the following sections:

Problem #1 - New section 513, page 5, lines 7-26.

Problem #2 - New section 655, starting page 11, line 3, and ending page 13, line 12.

Problem #3 - New section 656, starting page 13, line 19, and ending page 14, line 11.

Problem #4 - Section 11 of the bill, page 18, lines 10-11.

Tab B summarizes favorable action, either in part or full, taken by the Senate during floor deliberation on H. R. 9910 before the bill was finally rejected on 29 October. Where favorable action was achieved through an amendment rather than the making of "legislative history," the amendments were incorporated into S. 2819 and S. 2820 (foreign military and economic and humanitarian assistance bills) as reported out by Senate Foreign Relations Committee.

Tab C is a sectional analysis of certain provisions of H. R. 9910 as reported by the Senate Foreign Relations Committee before it was amended on the Senate floor.
